LEGION of SUPER-HEROES

Legion of Super-Heroes is a fictional super-hero team set in the far future of the DC Universe. Created by Otto Binder and Al Plastino, the team debuted in *Adventure Comics* #247 (April 1958). The original version of the team was replaced with a new rebooted version following the events of "Zero Hour" in 1994 and another rebooted team was introduced in 2004. A fourth version of the team, nearly identical to the original version, was introduced in 2007.
